acknowledges our place in the community

The Stonebridge Women's Club recently announced the launching of its professionally-designed and resourceful website which can be accessed via [www.stonebridgewomensclub.com](http://www.stonebridgewomensclub.com).

Two Zoom tutorials were held last month to assist members and residents discover how to navigate our site with speed and ease. Creatively-prepared flyers announcing the website and tutorial sessions were released to the community and posted to our Stonebridge Facebook page. Anyone interested in attending a future tutorial session may let us know by replying to this email.

The Stonebridge Women's Club Website showcases the character of our Women's Club and embodies the essence of who we are and what we do. Visit the site to learn more about our mission, history, Executive Board structure and Officers, as well as the Club's visionary founder and past presidents. Peruse our numerous committees and recognize the impact of the far-reaching humanitarian and philanthropic efforts of our volunteers described under the "**Community**" menu.

Scan our “**Events**” tab to view meetings, programs, trips and events. Just click a button to RSVP to these activities and add them to your calendar! Review past membership Updates and Presidents’ *Stonebridge Exchange* articles through our “**Communications**” section.

Don’t miss the “**Gallery**” which displays a video and pictures, in slide-show format, of memorable times with friends. Finally, share your thoughts, ideas, suggestions, questions and requests via the “**Contact Us**” page.

We invite you to enjoy a pleasant user experience by exploring the wide-ranging information conveyed through the clear and concise design of the Stonebridge Women’s Club Site!

We wish to express our gratitude to the members of our Stonebridge Women’s Club Website Committee for their work in creating this website. Co-Presidents Linda Longo and Judith Feltz and Advisor Jean Katarsky researched and gathered data, information and meaningful images, wrote and prepared documents, and assimilated these materials to create a product that clearly reflects the spirit of our Women’s Club. Corresponding Secretary Bonnie Silleck arduously worked to make certain our members’ interface with the site is smooth and effortless. She meticulously loaded all its contents and strategically organized menus, dropdowns and links to yield a purposeful, functional and efficient Website.

So that our website remains a current and valuable tool for our members, our Executive Board approved the appointments of Bonnie Silleck as Website Administrator and Jean Katarsky as Backup Administrator. They will maintain our site by identifying improvements, implementing procedures for ongoing revisions and entering materials to update web pages.

The Women’s Club was informed by the Ronald McDonald House that the Caring Cooks Program remains suspended due to the pandemic, and volunteers are still unable to prepare meals for families of seriously ill children. However, their New Brunswick facility has re-opened and is currently housing families. To support them during these difficult times, our Women’s Club made a donation to the New Brunswick Ronald McDonald House for the purchase of meals for these families in the name of our volunteers, the Caring Cooks of Stonebridge.

Additionally, to assist the work of our community’s Making Strides Against Breast Cancer fundraising team, our Women’s Club purchased pink bows and a quantity of masks, which the team has been selling to raise funds for the American Cancer Society. Bows will continue to be sold until the supply is depleted. We congratulate Co-Chairpersons April Furst and Joanne Redell and the entire team for their successful fundraising endeavors in spite of limitations and restrictions imposed upon them during these challenging times.

Our continued accomplishments and work reinforce our motto . . . **“Together we can do anything!”**
