CHARITY & COMMUNITY PROGRAMS

- **TREX Community Recycling Program (Ongoing)**

We collected an astounding 700 lbs of plastic to-date! Our goal has been expanded to 1,000 lbs. If this target is achieved, we may apply to Trex to manufacture a second high-performance bench from recycled materials for all the Stonebridge residents to enjoy. Thank you for your continued participation in this worthwhile project. We will continue to collect through September 30th.

- **BACK-TO-SCHOOL Gift Card Collection (Ongoing)**

The Back-to-School Gift Card Collection has been extended through August 2nd. You can drop off your donations at Sandy Rubin's home - 5 Steeple Rd. Our collection has begun very slowly. We are looking for Target and Walmart gift cards so that NJ Rise can prepare backpacks with school supplies. Your contributions will be greatly appreciated! Look for the flyer with instructions in your email.

This year we had two recipients of the scholarship awarded to deserving Monroe High School students.
